Remida resources

Hi All I popped into Remida last week and picked up some things. Feel free to take whatever but please don't let this turn into a junk yard. We do have a membership to remida so if you ever want to pop in let me know 😊

Hi All,

I have received some info back from Autism Inclusion. She has provided an info sheet on what they can provide. Ellenbrook SEL did the workshop that went over a few months and said it was quite intense so I think it would be better if we could just choose areas in which we want to focus on (page 1). If you can comment what areas we can put together our PD :)
